This notification is in response to applicants' submission filed 11 May 2009.

The decision mailed 09 February 2009 granting applicants' petition under 37 CFR 1.181 to withdraw the holding of abandonment indicated that the declaration of inventors filed 09 December 2008 was not sufficient because it was an improper composite declaration and because it contained non-initialed alterations.

On 11 May 2009, applicants filed a submission including several declarations of inventors.

The declarations filed 11 May 2009 are in compliance with 37 CFR 1.497(a)-(b).

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations to continue national stage processing of the application.
